EXPLORE GOLF CLASS FOR GRADE K-1

Age 5-6 (Grade K-1)

Have your little ones understand basic concepts of golf like grip, having a target and using different equipment in a fun, age-appropriate environment. The kids will also learn just enough simple golf rules and etiquette so you can take them on the course. The curriculum for these classes will be the same all sessions.

EXPLORE GOLF CLASS FOR GRADE 2-5

Age 7-10 (Grade 2-5)

This is a great time frame to explore a new sport. Kids will learn the fundamentals of the game, ways to control distance, keep their balance, pre-shot routines and lots more. The curriculum for all four sessions will be the same.

EXPLORE GOLF CLASS FOR GRADE 6-9

Age 11-13 (Grade 6-9)

We have the camp just for your pre-teen looking to learn a new sport and those looking to improve on their golf skills! Each class is 90 minutes and you get to hit as many golf balls as you want. We will incorporate fun putting, chipping, pitching and full swing games focusing on target awareness, distance control and a consistent pre and post shot routine. Rules of game and basic course etiquette will be covered as well.

WOMEN'S GOLF CLASS

Age 18+

Our most popular adult program for women only is back again. Sessions have been increased to two hours and will include range balls so you can come back and practice in between sessions. Range golf balls are only valid during session dates. The focus is to get new golfers understanding the basics of the golf swing, navigating themselves around a golf course and overall making sure new women golfers feel confident participating in the golfing lifestyle. Participation is limited to one four-week session only.

ADULT GROUP LESSONS

Age 18+

Our class is a non-intimidating pressure-free introduction to the fundamentals of the golf swing for beginning adult students, and we also offer experienced players advanced swing concepts to improve. We cover short game concepts, including the basics of chipping, pitching and putting. We provide as much individual instruction as possible.
